

Nissan Forklift

Nissan Motor Co. Ltd prides itself on achieving total consumer fulfillment when enjoying one of their car, truck or forklift products. They are committed to delivering high value and detail-oriented quality values to their clients. Incorporating a prosperous heritage combined with resilient production principals, Nissan lift trucks provide many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing consumer support, the business has four separate manufacturing facilities that permit them to persistently adapt to their customers continually evolving requirements by offering an assortment of progressive ideas and designs.

The Nissan Forklift North and South American foundation is situated in Marengo, Illinois. A dedicated team of 350 personnel is committed to the collaboration, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to sustain environmental responsibility by using systems that minimize the global effect of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally responsive corporation.

Nissan is fairly convinced that any of their clients questions and client concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community endorsed sellers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
